Sam Skaufel
WEB DEVELOPER

Seattle, WA | Phone: 425-879-5220 | Email: samskaufel@gmail.com | Portfolio: samskaufel.com

SUMMARY
Web Developer with a strong desire to deliver a seamless experience and intuitive design to the user with clean code. Former healthcare provider who can bring customer-facing experience to making a product that meets the unique needs of the user.

SKILLS
- **Languages**: HTML, CSS, JavaScript, TypeScript
- **Libraries/Frameworks**: React, Angular, jQuery, Bootstrap, Node, Express, React Native
- **Relational Database**: PostgreSQL
- **noSQL Databases**: MongoDB, Cloud Firestore
- **Tools**: Postman, Android Studio, Expo
- **Cloud**: AWS, Heroku

PROJECTS
myFlix, *Movie Database*
- Developed a full-stack web application with MERN
- Built the REST API that interacts with a non-relational database – MongoDB
- Implemented basic HTTP authentication and JWT/Token-based authentication/authorization
- Created two responsive, SPA where users can make requests and receive responses from the backend with React and Angular

Chat, *Mobile Messaging Application*
- Built using React Native and optimized for both iOS and Android devices
- Developed with Expo/Expo Go and stored chat messages in the Google Firestore database
- Used Gifted Chat to provide users with a chat interface and options to share images and their location

Meet, *Discover Upcoming Local Events*
- Built a serverless, PWA with React using a test-driven-development technique
- Implemented data visualization with a charting library – Recharts
- Fetched upcoming events using the Google Calendar API

Pokédex, *Pokémon Database*
- Built a small web application with HTML, CSS, and JavaScript
- Used Ajax to send and fetch data asynchronously from an external API – Pokémon API
- Implemented a responsive layout with Bootstrap

WORK EXPERIENCE
Exercise Physiologist, *2021 – Present*
Alliance Physical Therapy Partners
- Instructed, coached, and educated airplane mechanics in corrective exercise classes which reduced injury rates by 96%
- Marketed our services to increase utilization
- Managed my own schedule and documented every service
- Collaborated with team members to integrate customer feedback into future programming and planning
- Built relationships with clients

Physical Therapy Aide, *2020 – 2021*
EvergreenHealth
- Communicated with my team what work had been completed and what work still needs to be done
- Effectively communicated errors within the physical therapist's documentation

- Organized and kept equipment/supplies properly stocked to increase workflow and ease of services

EDUCATION
Full-Stack Web Development Certification, *2021 – 2022*
CareerFoundry
Bachelor of Science in Nutrition and Exercise Physiology, *2016 – 2020*
Washington State University
